

White Caps baseball game to promote HD Awareness

Dear Group

Tues Aug 1 is the preferred date for the West Michigan Whitecaps game for promoting HD Awareness. Dan Hasty is the sports caster for the White Caps and he is able to get us free tickets for the game that day. Please let me know if you plan to attend and how many tickets you need and he can get seats by each other for the game and we can sit together and wear our Team Hope event T shirts and if you don't have one I am sure we can get more! We need to spread awareness of HD and let people know about HD and how to get involved in advocacy especially if they have someone in their family with HD.

I plan to attend with my husband and I hope you and your families can also attend. Please let me know soon so Dan can make arrangements for the tickets for all of us. Advocates are also welcome. Spread the word and promote HD Awareness! Accessible seating is available!

Remember to Live Positive and treatments are promising and we will have a cure in our lifetime. Stay positive.

All the best!
